## **THE HISTORY OF TROPHYMAN**

The compilation of this Yearbook gives an excellent opportunity for the HCDO to express most grateful thanks to David Creedon and all at Trophyman for the support shown in sponsoring the Player of the match awards for the past 25 years.

David has afforded us the privilege of writing the following Introduction which gives a brief history of Trophyman and of their association with Hampshire Darts.

### **Trophyman - 25 years of Hampshire player of the match awards.**

By **DAVID CREEDON** – Managing Director.

David Creedon

I was very pleased to accept an invitation to write an introduction for this very informative and remarkable archive of the Hampshire County Darts Organisation as it has given me cause to remember, reflect upon and share some of the history of Trophyman from its conception up to the present day with special reference to our extremely happy association with the Sport of Darts in general and the Hampshire Darts Organisation in particular.

Trophyman started in the Trophy business almost 30 years ago with the trophy production taking place in a caravan in the back garden of a house in Warsash.

Soon the business had grown beyond all expectations and we had to move to two rooms above a Bank in Locks Heath.

With business still expanding rapidly a move to commercial premises was inevitable and Trophyman were soon to occupy the 1,150 square foot former ticket collectors office close to the old Woolston Floating Bridge.

As a result of our commitment to quality, reliability, and service the company just went from strength to strength growing thanks mainly due to the support of many local dart and football clubs, leagues and competitions.

Soon Trophyman had again run out of storage area and were so desperate for space at times that several planks of timber were laid across the ladies loo cubicle to enable us to store our boxes of marble and this led to obvious consternation by our lady staff members who were in constant fear when taking their 'comfort' breaks of the embarrassing scenario that would unfold if the planking were to give way.

I remember twenty five years ago Mike Bennett who was in those days secretary of the Gosport Men's Darts League and a valued customer and member of the Hampshire BDO introduced Trophyman to Frank Branscombe. Frank then persuaded us that as Darts had supported Trophyman to become established as one of the leading trophy retailers on the South Coast to sponsor the Hampshire Counties man of the match awards for the season 1982/1983.

Initially we planned on a total of 36 awards that were quickly increased to 37 as two players tied for the awards during the third game of the season in the men's 'B' match against Essex at Fareham.

If I recall correctly the first year's awards consisted of an engraved flat glass plate which was mounted on a wooden plaque.

When we suggested these awards it was our intention to something different from the run of the mill trophies and as such it seemed like a good idea at the time.

However having had a flat piece of glass engraved there was now a problem to overcome regarding the fixing of the glass to the wooden plaque as we could not use glue or double sided tape as this would show through the clear glass.

Eventually with the first match of the season rapidly approaching we decided to drill four holes in the glass one in each corner and attach the glass plate to the wooden back plaque with mirror head screws, this was easier said than done in that we had to screw the fixing to the correct tightness because if we did not screw tight enough the whole award was loose but if we over-tightened the corners of the glass would break.

We eventually overcame the problem and were delighted that the awards were so very well received by the players and have since then always strived to donate awards that are original and diverse in design and commemorative of the outstanding achievement that they represent.

Little could Frank, Mike or I imagine that after 25 years and almost 1,000 players of the match awards both Trophyman and Hampshire BDO are still enjoying each other's company.

Just after our introduction to Frank and Mike and with business still rapidly increasing it was time to move once again to larger premises.

Trophyman's next move would be to our present home in Kathleen Road Sholing Southampton where we now occupy over 4,000 square feet of floor space.

Our main showroom displays over 800 trophies all of which are assembled in our Southampton workshops where we have a small team of three production workers, three engravers and a sales staff of four.

In addition to our main showroom we have a further display area devoted to silver cups, salvers, corporate plaques and retirement gifts etc.

Trophyman have additional showrooms dedicated to engraved glassware and a display of golf trophies along with a clearance room known as a "Bargain Basement" where we sell last years awards at clearance prices.

Trophyman is reputed to be the largest trophy retailer in the south but we don't stand still for long having opened further branches on the Isle of Wight and in Salisbury and we have also formed a subsidiary company called Besmark that primarily manufacture and produce badges.

We are now in the now process of expanding further and forming Trophyman Sports Ltd that will be offering Football Kits and equipment, bowls accessories, clothing and Dart accessories all at competitive prices.

Over the years many dart leagues have come and gone, and many have been renamed as the original sponsors of the leagues have withdrawn their sponsorship.

## ***Trophy Man Player Awards***

In the past many of the dart leagues were sponsored by breweries but many of these have either been closed down, sold or taken over by the brewing giants that are not really interested in sponsoring the local dart leagues and players. Their aim is just to make large profits for their shareholders.

From memory these are just a few dart leagues that have at one time been sponsored by the local breweries;

Friary Meux Aldershot Dart League.  
Phoenix Southampton Ladies Dart League.  
Eldridge Pope Southampton Mixed Dart League.  
Whitbread Totton Ladies and Witbread Wessex Mens Darts League.  
Strongs Romsey Men's & Ladies Dart Leagues.  
Watneys Southampton & District Dart League.  
Whitbread Wessex Portsmouth Summer Dart League.  
Marston's Britvic Romsey Team Dart League.  
Brickwoods Gosport Dart League.

Courage Calne and District Dart League.  
Eldridge Pope Ferndown & District Dart League.  
Popes Brewery Verwood Darts League.

## **TROPHYMAN OF SOUTHAMPTON**

OLYMPIC WORKS  
2 – 4 St KATHLEENS ROAD,  
SHOLING,  
SOUTHAMPTON,  
HAMPSHIRE  
SO19 8EX

These leagues and their players have all been customers and friends that we have been delighted to supply with trophies over the years and as such it has given me cause to wonder what has happened to these leagues cups and trophies that were donated by these breweries.

I know several are still in existence as we still engrave them each year but I am sure that many are just laying forgotten in cellars, lofts, garages or sheds.

In an ideal world it would be excellent if they could all be collected and displayed in a museum for future generations to view as they have a historical value in that these cups and trophies have records engraved on them of teams and players from pubs, clubs and hotels of which many have been demolished in favour of the ever growing demand for blocks of flats and houses.

## *Trophy Man Player Awards*

It is a fact also that many of these cups that date back thirty years or more are solid silver and whilst it may not be practical or financially viable to house these awards in a museum, perhaps before any eventually find their way to the local tip they could be possibly be refurbished and donated back to existing Darts or other Sporting leagues. Any unusable solid silver items could be sold for scrap value, and any proceeds used for darts or charitable causes and I know that the Hampshire Darts Organisation would be pleased to help in this area.

In conclusion Trophyman intend to continue to support Frank for the foreseeable future. I would personally like to thank Hants BDO for the two-framed details of the player of the match over the past twenty-five years presented to me recently.

It has been a remarkable and happy Association with the Sport of Darts and its players that has coincided with an equally remarkable journey of success that myself and all at Trophyman have enjoyed over these many but all too short years.

Hopefully Frank and I will still be around for the next twenty-five years when Hampshire will continue to be enjoying success in the Inter-counties Darts Championship Premier Division and the Hampshire players still keenly competing for that much sought after accolade of 'Player of the Match'.

## **British Inter County Championships**

As a member County of the British Darts Organisation Since 1975 Hampshire have been participating in the British Inter County Championships and during that time there have been many successes by all teams and not least of all being in the 1986 – 1987 season when Promotion to the Premier Division from Division One South was achieved which served to put Hampshire well and truly in the top flight where we have stayed until the present time.

### **Team Roll Of Honours**

If confirmation should ever be needed to illustrate Hampshire's right to a place in the top flight of darts these statistics provide the answers and demonstrate the long term consistency of the Hampshire teams and their players.

### **End Of Season Team & Divisional Positions**

These records show the end of season positions of the Hampshire teams and also the overall placing in their Division which all serve to illustrate that the combined strength of Hampshire lies in the quality of all teams and their contribution to the overall results.

### **Player Of The Match Awards**

Thanks to the generosity of Trophyman Hampshire are able to reward the most outstanding players from each team in every Inter County fixture with a memento of their achievement.

The records enclosed give details of the recipients of those awards since their inception in 1982.

There are also some interesting statistics that emerge not least of which is the fact that in her 55 appearances for Hampshire Mandy Solomons won 38 player of the match awards!!!

Also detailed are listings of the Men and Lady players who have achieved player of the match status together with their individual tally of awards.

### **Inter County Match History & Results**

These records detail the date, playing venue and results of each team in each match played.

### **Player Appearance Records**

If ever evidence was required to demonstrate the dedication of Hampshire players then these records provide the proof as every match played by every player demanded a level of commitment and loyalty that only becomes apparent when put to the test and without exception all passed with flying colours.

Obviously within these records there are instances of outstanding levels of participation but for this particular purpose it would be unfair to single out individuals as to every player that has made his or her skills available for the betterment of Darts in Hampshire the HCDO are very appreciative and grateful.

# Appointments

As with every Organisation success is only possible by combined efforts and the team not only comprises of the players but also the Officers and Committee who work so hard behind the scenes and give voluntarily of their time to ensure that the all important players have the opportunity and platform to demonstrate their skills to the best advantage to all.

In Hampshire we have been fortunate in having at our disposal the services of personnel who are dedicated to the aforementioned aims and among these are the HCDO Officers and Committee, The Super League Officers and Super league Committees together with the all important Youth administrators who ensure that the future of our sport is kept well and truly on course.

In recognition of services given the HCDO does have in place an honours system that ensures that these efforts do not go unnoticed and some of these are listed on the following pages and include.

## **Vice Presidents**

Vice Presidencies are bestowed on those that whilst no longer perhaps directly involved with the day to day running of the HCDO have given input that has been crucial to our being able to progress successfully as a viable concern and this input can be varied to include the giving of services, financial assistance and outstanding contributions in other ways that are greatly appreciated.

## **Life Members**

Again the awarding of Life Memberships is recognition of long services given to HCDO and the Sport of Darts and includes Sponsors, Committee Members, Officers and also players that have achieved the magnificent milestone of having made 100 stage appearances for Hampshire in the Inter County Championships.

## **Team Managers & Captains**

For every success that the Hampshire Teams have achieved there has always been the need for a person or persons to be on hand to not only select the Teams but also to provide and encourage the motivation to do well in addition to earning the respect and confidence of those to whom they are responsible.

Team Officials need to have the qualities of leadership combined with the humility and compassion required to gain the absolute confidence of the players in their charge.

You will find attached a list of these who have assumed these roles and who have executed the responsibilities entrusted to them with excellence and at times extreme patience and fortitude.

## **Player Achievements**

This section seeks to list some of the notable achievements of Hampshire Players that are current or former members of the HCDO.

These lists include both BDO and PDC successes.

### **Bert Kelly – First Hampshire National Champion**

This section gives well deserved mention to the achievement of Bert in becoming Hampshire first National Finalist in the News of the World Tournament.

Bert has always enjoyed the support of his lovely wife Phyl and this year they celebrated 68 years of happy marriage.

### **100 And Over Bicc Stage Appearances For Hampshire**

In order to fully appreciate the magnitude of the commitment that these records represent this listing should be read in conjunction with the player appearance details in order to evaluate the actual numbers of matches played.

It takes 11 x seasons of consistently high standard of play and loyalty to achieve 100 appearances and that underlines the levels of skills displayed by those that reach this milestone and beyond.

### **International And World Ranked Event Successes**

It is understood that it is impossible to be able to include every individual success of every HCDO player and even with our best efforts it is appreciated that there will be some accidental omissions from any listings that are formulated and therefore the events listed are categorised to include only Singles events that are World Ranked.

### **World Championships Finals Appearances**

Whilst Hampshire players have enjoyed many successes in qualifying through to the play off stages of the World Championships these would again be difficult to accurately list.

However those featured have brought Hampshire the honour of taking part in the televised stages of both the BDO World Professional Championships and the PDC World Championships.

### **International Selection**

By virtue of outstanding performances displayed in the Inter County Championships players are selected to represent their International Teams and Hampshire players have regularly featured among their numbers.

A list of those players so honoured is detailed on the following page.

### **Special Achievements**

There are some very special achievements that fall outside of the normal categories and those of these that have been recorded are included.

## Bert Kelly

### Hampshire's First Darts Champion

In the years before darts exploded onto the world stage and whilst being a very popular sport it was very much localised, being played predominantly in pubs and clubs with every pub, club and town having its own local darts heroes.

But in those days there were very few opportunities for these to demonstrate their skills on a National stage.

The exception was the News of the World Tournament which was for many, many years the holy grail of the darts player and the one that everyone wanted to win and with the thousands of players that entered via their local pubs and Clubs it was no mean feat to progress to the Town and Area Finals and those that did so were the real sporting heroes of their day.

One such player was our own Bert Kelly who progressed to the area Finals on 3 occasions [1952, 1957 and 1958] in 1958 Bert went on to win through to the Grand Finals where the top 8 players in the Country contested the title with Bert losing a closely contested match to the eventual winner Tommy Gibbons.

Well done Bert who deserves the title of Hampshire's first Darts Champion.

## Hampshire Players – Recognition Of Loyalty

**Jenny Fenton**

Every player that puts on a Hampshire shirt deserves accolade for the loyalty and shown making their exceptional darting talents available for Hampshire.

Many of these players forge a long and distinguished career with Hampshire and along the way pass many milestones that demonstrate their dedication.

Some of the longest serving of those players to date are highlighted.

Jenny Fenton made some 216 appearances on the Hampshire County stage in a career spanning over 25 years of playing top class darts,

Jenny combined her playing talents with that of Team leadership and notched up some 81 matches as Ladies Team Captain and was a key member of the Hampshire Ladies Teams that have enjoyed so many successes over so many years.

**Roy Brown**

To date Roy has represented Hampshire on no less than 166 occasions to date and is still going strong in both his County and International career with the 100 County wins not far away.

Over the years Roy has been unswerving in his loyalty to Hampshire and this was put to the test when his work took him to County Durham where for some 7 years he and his wife Gill made the 600 mile round trips in all weathers in order to play for the County of Hampshire and that demonstrates commitment at its finest.

Roy has also demonstrated excellent leadership by serving as Team Manager.

At the time of publication Rick has reached the 150 match milestone of a brilliant career which is made even more notable in that to date he has played no less than 125 of those matches consecutively and that constitutes some 14 years of attending and playing in every Hampshire County fixture! And in doing so has just passed the previous holder of the record for such a prestigious achievement ROGER WHITCOMBE who played 113 matches consecutively.

Rick has also given his valuable services as Men's Captain and Team Manager.

Hampshire salutes the above and indeed every one of the players that have worn the Hampshire Shirt with pride.

**Rick Lowther**

## Hampshire Officials – Recognition Of Service

It is without doubt that whilst Hampshire's successes are due to the skills of the players there is a very large input by the County Officials who all give freely of their time to ensure that the needs of the HCDO and its membership are best served.

Over the years many Officials have shown dedicated, long and selfless service for the betterment of the Sport of Darts in Hampshire.

There are currently serving Officials who have been with the HCDO since the early days of its inception and these include **Mick Collins. Doreen Stamper And Chris Wilcox.**

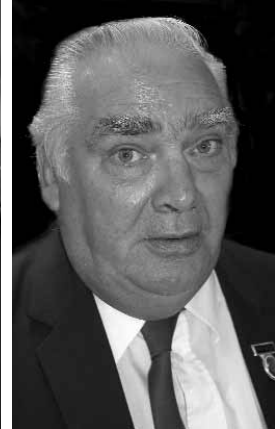

**Brenda Cummings**

**Mick Collins**

**Doreen Stamper**

**Chris Wilcox**

But perhaps the most outstanding example of long service must go to **Brenda Cummings** Who has just completed her **250th consecutive** County Match as Hampshire Ladies Team Manager. An outstanding achievement that illustrates total commitment and dedication.

## Hampshire Supporters

No record of Hampshire's achievements would be complete without giving thanks to the army of supporters who have followed the County's fortunes (and sometimes misfortunes) over the years.

These dedicated enthusiasts have most certainly made a difference and players always give of their best when supporters spur them on Travelling the length and breadth of the Country just for the pleasure of seeing the Teams in action is an inspiration to the players and we thank them all.

Within these pages we have shown the undisputable standard of excellence as displayed by the Hampshire players and acknowledge their numerous achievements but let us not forget those players of all ages that enter our events with no real aspirations of winning but who are just content to take part and enjoy the friendship of others in sharing the passion for the lovely Sport of Darts, and on behalf of Hampshire I thank you one and all.
