FRANK BRANSCOMBE – 30 YEARS – DARTS WORLD REPORT

Frank Branscombe was presented with an award at the recent match against Oxfordshire in recognition and appreciation of 30 years service in the role of HCDO General Secretary.

I think it is safe to say that Hampshire County Darts would not be in the position it is in were it not for Frank's vision and organisational skills.

Along with aiding players competing in the Inter Counties Championships, he has been instrumental in the creation and running of the very successful Mill Rythe Festival weekends which will be shortly celebrating 25 years, and of the Hampshire Open Although often 'outspoken' [lol] Frank always has the players interests at heart and is always available with advice, or to take up matters on their behalf.

The amount of work he puts in is testament to the pride he has for Hampshire and the players involved within the County.

It is very easy to overlook all he has done and I am sure that many people have no idea of the amount of time and effort he puts into the County

Though long overdue this presentation was a big thank you to Frank for 30 years dedication

FRANK BRANSCOMBE – 30 YEARS – PLAYER THANKS

To Frank

Thank you for your hard work and commitment to Hampshire County Darts over 30 years. Without your dedication to the 'cause' Hampshire would not be as well placed as it is now. You have certainly seen players come and go over this period and we know that they are all grateful for your help whilst they were with Hampshire

Some may not have agreed with all that you have done but they could not say you were not honest and fair

Under your leadership you have had numerous senior and youth players representing their Countries at International level and a handful of players making it to the Lakeside stage to take part in the World Championships

All of these players would not have made it without your hard work and dedication to Hampshire

You have also managed to 'notch up' 25 years running the Mill Rythe event and again have made some wonderful friends on the way

You have roped in friends, family and associates throughout Hampshire to come and help with the running of the event which has grown year on year and it is truly down to your attitude that 'the players and the punters always come first'

From all your friends at Hampshire County Darts and Mill Rythe Darts Festivals
