HCDO Inter County funds

The whole superleague will raise approximately £800 over the season for HCDO county funds. £1 out of everyone's £6 entry fee during each week will contribute to this, plus £1 out of the £15 sign on fee goes to HCDO. These funds will pay for the increased associated costs in the county voting to join the UKDA where the county will represent. This allows both superleague formats to be affiliated with Hampshire County Darts and therefore provides players the chance to earn selection to the county team, as well as the numerous other benefits outlined in this document.
