# BERT KELLY

## HAMPSHIRE'S FIRST DARTS CHAMPION

In the years before darts exploded onto the world stage and whilst being a very popular sport it was very much localised being played predominantly in pubs and clubs with every pub, club and town having it's own local darting heroes

But in those days there were very few opportunities for these to demonstrate their skills on a National stage. The exception was the News of the World Tournament which was for many, many years the holy grail of the darts player and the one that everyone wanted to win and with the thousands of players that entered via their local pubs and Clubs it was no mean feat to progress to the Town and Area Finals and those that did so were the real sporting heroes of their day

A. W. Smith, Esq., Sports Editor of the "News of the World", presented the trophies to Bert Kelly, of the Victory Inn, Basingstoke, Hants

One such player was our own Bert Kelly who progressed to the area Finals on 3 occasions [1952, 1957 and 1958] in 1958 Bert went on to win through to the Grand Finals where the top 8 players in the Country contested the title with Bert losing a closely contested match to the eventual winner Tommy Gibbons

Well done Bert who deserves the title of Hampshire's first Darts Champion
