Section Five - PLAYING RULES

1.0 THROW

1.1 Players shall provide their own darts, which shall not exceed an overall length of 30.0 cm. And not weigh more than 40 grams. Each dart shall consist of a metallic needle shaped point attached to a barrel. At the rear of the barrel there shall be attached a flighted stem which may consist of up to five separate pieces. (E.G.: a flight, a flight securing device(s), a flight protector, and a stem).

1.2 A player shall throw darts from a standing position, excepting only in those circumstances when a physical disability or physical injury requires that a player must adopt a non-standing position.

1.3 All darts shall be thrown deliberately, one at a time, by and from the hand. All darts must be thrown with the needlepoint aimed towards the face of the dartboard. If a dart is not thrown in this manner then the 'throw' will be declared a 'foul throw' and shall not count in that respective leg, set, or match.

1.4 A throw shall consist of a maximum of 'three' darts unless a leg, set or match is completed in less than 'three darts'.

1.5 If a player, during a throw, touches any dart that is in the dartboard, then that throw shall be deemed to have been completed.

1.6 Any dart bouncing off or falling out of the dartboard shall not be thrown again.

1.7 Any dart falling out of the dartboard before the throw has been completed and the darts retrieved shall not count.

1.8 Prior to the retrieval of the darts on the completion of a throw, it is NOT permissible for a player or scorekeeper to push a dart (or darts) into the board to prevent them falling out, or to hold them in the board for the same reason. Should this occur, the dart or darts affected shall not be counted.

1.9 A player deliberately abusing the dartboard when retrieving darts at the end of a throw will be given a verbal warning by the match referee. Another warning will be given if a second incident occurs in the same match. If a third incident occurs in the same match then the player in question will forfeit that respective leg, or set, match.

2.0 STARTING AND FINISHING

2.1 Unless stated otherwise in the playing format of a particular event each match or Leg shall be played with a straight start. IE: to begin scoring the player need only land a dart in the dartboard inside the outer Doubles wire of the dartboard.

2.2 Unless stated otherwise in the playing format of a particular event each match or Leg shall be played with a double finish. IE: to finish, and win, the player must land a dart in the double (Double Ring or Bull) of the number equal to one half of the remaining score.

2.3 The Bull shall count as '50' and if the score of '50' is required to complete a Leg or

match.

2.4 The Bull shall count as double '25'.

2.5 The Bust Rule shall apply. IE: if a player in a throw scores more points than remain in the Leg or match, or the same points as remain without finishing on a double, or leaves a score of one, then that throw shall not count, and the score shall remain as it was prior to that throw.

2.6 A 'Game Shot' called by a Caller is valid only if the darts thrown achieve the required finish and remain in the dartboard until retrieved after the 'Game Shot' has been called.

2.7 If a 'Game Shot' called by a Caller is invalid, then the player shall have the right to continue that throw. IE: If all three darts have not already been thrown.

2.8 If as a result of an error in Clause 2.5 the player has retrieved any of the darts and not all three darts have been thrown, then the Referee shall replace the retrieved dart or darts in as near as is practicable the same position and permit the player to complete the throw.

2.9 The first player who finishes by obtaining the required double out shall be declared the winner of that Leg or match, whichever is applicable. A dart thrown by a player after finishing shall not count.

2.10 In a match, or Set divided into Legs, the match or Set shall be played 'best of three' (five, seven, etc.,) Legs. E.G.: the first player that wins a majority of the specified number of Legs shall be the winner of the match or Set and the remaining Legs, if any, shall not be played.

2.11 In a match divided into Sets, the match shall be played 'best of three' (five, seven, etc.,) Sets, E.G.: the first player who wins a majority of the given number of Sets shall be the winner of the match and the remaining Sets, if any, shall not be played.

3.0 SCORING

3.1 The rules of the event shall provide for matches or Legs to start from a fixed odd number, such as 501, 701, 1001 or similar. All scores made shall be subtracted from the start total or from the score remaining from the previous throw.

3.2 The actual score required by each player shall be shown on the score sheet or visual display.

3.3 A dart shall only score if the point remains in or touches the face of the dartboard, within the outer double wire, until after the throw has been completed, and the score has been called and recorded on the scoreboard or visual display.

3.4 The score is counted from the side of the segment wire in which the point of the dart enters and remains in or touching the face of the dartboard.

3.5 Darts shall be retrieved from the dartboard by the thrower, excepting only in those circumstances when a physical disability or physical injury requires a player to have assistance, but in any instance only after the score has been recorded by the Marker.

3.6 Protests concerning a score obtained cannot be made after the score has been recorded by the marker and the darts have been retrieved. If the incorrect score

resulted in a leg win the result will stand.

3.7 Errors in arithmetic shall stand as written on the scoreboard unless corrected prior to the next throw of the player whose score is in error.

3.8 The actual score required by a player must be shown on the scoreboard or visual display and be clearly visible, at eye level, in front of the players and the Board Marker.

3.9 No indication of the required 'double out' shall be given by the Referee, Caller, Marker, or Scorer. E.G.: '32' shall be called and not 'double 16'.
