UKDA Chairman Johnny Stefano says, "The Magic Weekend is a great concept brought to us by the UKDA CEO Colin Savage that will see all Darts Corner National League teams from the Elite Premiership and AON Championship divisions meeting in one venue at the Magna Centre in Rotherham to see out the final 2 games of the 2021-2022 season, it is a great opportunity for the UKDA to introduce this unique way of playing a National League fixture, this is something different but we know the players will love being involved in what will be an end of season weekend extravaganza of spectacular darts."
